Peak District Spring Trail Run Series 2019

Provisional Final Series Standings - Long Course

Class winners are shown in **BLUE** and runners up are shown in **GREEN**. Round points are based on the finishing position i.e. 100pts for 1st place, 99pts for 2nd, 98pts for 3rd etc. If the series standings are tied the winner will be whoever won the first head to head between the two competitors that are tied on points. Your best two results count towards the series and you must complete at least two events to qualify for the series (shown in bold type).
